Regional Pharmacy Conference

Friday 6th July 2018

Venue: TBC

Keynote Speaker: Dr Keith Ridge CBE
Chief Pharmaceutical Officer for England

This conference aims to showcase all the great regional pre-registration pharmacist projects completed this year as well as current research conducted by pharmacy researchers. This includes postgraduate students and pharmacists. Registration process will be announced in the coming weeks.

The conference has been co-ordinated by a regional team of pharmacists and academics to foster pharmacy researchers and provide an opportunity to present current research, network and develop collaborations between pharmacy researchers, practicing pharmacists and pre-registration trainees in the region.

Delegates should submit an abstract of no more than 350 words which must include: introduction, methods, findings and a discussion including the implications of this work on pharmacy practice, pharmaceutical sciences or patient care. Protocols, works in progress, audits, preliminary findings may be submitted. Tables and graphics are encouraged. Please indicate preference for poster or oral presentation in your submission. Abstracts should be submitted to ntw.gtnorthpharmres@nhs.net by midnight 30th April 2018.
